About Our Club

The Bridge Club had its beginnings in 1973.

It was affiliated with the Australian Bridge Federation in 1982 and moved to its present premises at the Campbelltown Catholic Club in 1986.

The club has approximately 80 members and conducts lessons on a regular basis.

We are a friendly club and welcome new members and visitors.

Beginner Classes

Another round of beginner lessons ended on 24 April. The course run by Christine Edge comprised six lessons followed by two weeks of supervised play. The Club greatly appreciates the commitment that Christine shows and her skill in delivering the rudimentary aspects of Bridge to prospective players in such a short amount of time.

Five participants completed the course and some have already played in their first club game at Camden on a Saturday.

Thank you to Christine and to Bobbie Lumley who assisted each week and also to the club members who happily volunteered their time during the two supervised play sessions.
