## About Our Club

The Collegians Bridge Club had its beginnings in 1973. It was affiliated with the Australian Bridge Federation in 1982 and moved to its present premises at the Campbelltown Catholic Club in 1986.

The club has approximately 65 members and conducts lessons on a regular basis. We are a friendly club and we welcome new members and visitors.

## Thursday 16 February

This Thursday will be a RED POINT EVENT — come along for a good day of Bridge as well as some fun activities and prizes to celebrate Valentines Day.

## The Results Report Explained

A new player asked to have the results sheet on the website explained. Here goes. Did you know that .....

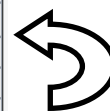

### Matchpoints:

Each pair receives a calculated number of matchpoints per hand depending on how well you played that board compared to other pairs. This score is the total number of matchpoints that your pair received across all the boards played that session.

**%:** This score is the number of matchpoints your pair received from all hands, expressed as a % of all the matchpoints available in that session. eg Sheila and Tim received 172.8 matchpoints from a possible 270 on that day = 64%

### Masterpts:

Players who achieve top results in an event are awarded Masterpoints according to their placing

and the number of pairs, individuals or teams who played in the event. Our Masterpoints Secretary, Richard Riedel provides the Australian Bridge Federation with the masterpoint details of every game played at our club. The ABF administers the Masterpoints Program as a way of nationally grading Australian players and recognising player achievement.

## Club and Player Surveys

The ABF has set up an Online Bridge Committee to investigate all aspects of online bridge with a view to strengthening the future of the game. They have asked clubs and players to complete a short online survey by 28 February. I will forward the links by email for anyone who wishes to participate.
